## **MTA Keystone Club welcomes Miller, Canfield, Paddock & Stone**

DELTA TOWNSHIP—The law firm of **Miller, Canfield, Paddock & Stone**, of Detroit, Michigan has joined the ranks of the Keystone Club in the **Michigan Townships Association (MTA) Allied Service Provider** program. As part of the *Keystone Club*, the \$2,000 investment by Miller Canfield will be used to improve the overall effectiveness of township government through more productive business practices, better education, and enhanced communications.

“On behalf of the MTA Board of Directors and 1,240 townships in Michigan, I am delighted to welcome Miller Canfield to our family of Allied Service Providers,” said **Colleen Schwartz**, president of the Michigan Townships Association. “This is not only an investment in our organization, it is a commitment to the people of Michigan who believe in local government and who work hard to make it the best it can be. In taking this step, Miller Canfield demonstrates their commitment to strengthening the relationship between our members and the business community.”

Founded in 1852, Miller Canfield is an international law firm specializing in municipal representation, municipal bonds and finance, communications, cable television regulation, franchises, construction contracts and disputes, employee benefits and pensions, environmental law and regulations, labor relations and discrimination, litigation, taxation, and assessment appeals.

MTA’s Allied Service Provider program has three levels of participation: President’s Round Table (\$10,000), Leadership Circle (\$5,000), and Keystone Club (\$2,000). Although participation in the Allied Service Provider program does *not* constitute or imply MTA’s endorsement of a company, or its products or services, those enrolled in the program are expected to maintain good business practices and operate in an ethical manner.

The Michigan Townships Association is the exclusive legislative and public advocate for Michigan’s 1,242 townships and is the foremost source of quality education and information for Michigan’s elected and appointed township officials. For more information about MTA’s Allied Service Provider program, visit [www.michigantownships.org](http://www.michigantownships.org).
