Greetings BSLTS clients and friends:

#### Medical Marijuana Update: AG Opinion #7259

Please note that the Attorney General issued an opinion today that addresses the use, cultivation and distribution of medical marijuana pursuant to the Michigan Medical Marijuana Act (MMMA).

In his opinion, AG Schuette said, in part, that:

The MMMA prohibits the joint cooperative cultivation or sharing of marijuana plants (no cooperatives);

Each patient's plants must be grown and maintained in a separate closed, locked facility that is accessible only to the registered patient or to the patient's primary caregiver.
