

## C2AE Project Manager Gets Published in MML Review

**LANSING, MI – January 21, 2010** – C2AE's Steve Jurczuk, AIA, LEED® AP article gets published in the January/February 2010 issue of the Michigan Municipal League's official publication, *MML Review*. Mr. Jurczuk's article titled "Hastings Transforms Library From Brown to Green to Gold" was part of the ongoing section of the publication called *Greener Communities, Greener Michigan*.

The article highlights the methodologies C2AE followed to design a new "green" library for the City of Hastings. The library still holds the record for the **only** LEED® Gold certified library in the State of Michigan. A copy of the article is available on the C2AE website: <http://www.c2ae.com/news.html>.

As a Project Manager for C2AE, Mr. Jurczuk has over 14 years of experience working with clients to develop designs that meet their needs for new buildings and/or renovations. He believes good design positively impacts people, and a well-designed space becomes an experience. Steve was also recently published in the "Benchmarking Educational Facilities 2008" issue of the *The Story Pole Magazine*. He received his Bachelor of Architecture from Lawrence Technological University, and is a Registered Architect in the States of Michigan, Nevada, and Ohio.
