MTA staff member Cindy Davis bestowed with Eckhardt Award

Delta Charter Township, Mich.— At the 39th Annual Michigan Assessors Association (MAA) Summer Conference, Aug. 6-10 in Bellaire, **Cindy Davis**, member information specialist for the Michigan Townships Association (MTA), received the Robert Eckhardt Award in recognition of her contributions and selfless service to the field of assessment administration.

Davis was recognized for her work with the MAA Executive Board, her presentations and volunteered assistance at MAA events, including the conference, and her contributions to the field by teaching MTA Board of Review classes and helping to develop both basic and advanced Board of Review classes.

“To think that professionals who have been in the field of assessing for many years consider my work to their association and to the Michigan Townships Association honorable is very gratifying,” Davis remarked. “Thank you MAA for the award and to MTA for the opportunity to serve Michigan assessors, board of review members, and township board members.”

Davis has been employed with MTA since 2006, and she is a resident and former clerk of **Williamstown Township** in Ingham Co. She is also a Michigan Certified Assessing Officer.

####

The Michigan Townships Association promotes the interests of township government by fostering strong, vibrant communities; advocating legislation to meet 21st century challenges; developing knowledgeable township officials and enthusiastic supporters of township government; and encouraging ethical practices of elected officials who uphold the traditions and unique characteristics of township government and the values of the people of Michigan.
