Share Information about *Your* Township in *Michigan Township News*

At MTA, we know that the *Michigan Township News* (*MTN*) is about what information *YOU* want to know—and what you want others to know about *YOU*, too! Make sure that your fellow township officials know what's happening in your community by sharing your township's information!

How? It's easy! Do you have something happening in your township—a township hall renovation, new park or cooperative effort—that you'd like others to know about? Simply fill out the "Township Happenings" portion of the form below. Want to see your township—including a photo—profiled in an upcoming issue of *MTN*? Just complete the "Focus on Townships" portion of this form. It's really that simple!

Township Happenings

What's happening in your community that you'd like your fellow township officials to know?

Focus on Townships

Township and County: _____

Date Established: _____

Origination of your township name: _____

Population: _____

What are some of the unique aspects of your township that you'd like others to know?
