MTA Keystone Club Applauds Fahey Schultz Burzych Rhodes PLC Commitment to Townships

DELTA CHARTER TOWNSHIP—**Fahey Schultz Burzych Rhodes PLC** recently joined the **Michigan Townships Association Allied Service Provider** program. As part of the *Keystone Club*, the \$2,000 investment made by the firm will be used to improve the overall effectiveness of township government through more productive business practices, better education, and enhanced communications.

“With the challenges that face local government today, it is more imperative than ever to work closely with those companies who serve townships,” said **Gary L. Cramer**, president of the Michigan Townships Association. “On behalf of the MTA Board and Staff, we are pleased to welcome the prestigious firm of Fahey Schultz Burzych Rhodes PLC as a Keystone Club member in our Allied Service Provider program.”

Fahey Schultz Burzych Rhodes PLC is a leading firm of township attorneys located in central Michigan; they represent more than 30 rural and urban townships statewide, offering accessible, affordable expertise, based on more than 100 years of combined experience in township law.

“Our firm’s participation in the Allied Service Provider program is a key ingredient in our efforts to better serve township clients across the state,” said William K. Fahey, a founding member of Fahey Schultz Burzych Rhodes PLC. “We look forward to continuing a mutually beneficial relationship with MTA to benefit our current and future township clients.”

MTA’s Allied Service Provider program has three levels of participation: President’s Round Table (\$10,000), Leadership Circle (\$5,000), and Keystone Club (\$2,000). Although participation in the Allied Service Provider program does *not* constitute or imply MTA’s endorsement of a company, or its products or services, those enrolled in the program are expected to maintain good business practices and operate in an ethical manner.

The Michigan Townships Association is the exclusive legislative and public advocate for Michigan’s 1,242 townships and is the foremost source of quality education and information for Michigan’s elected and appointed township officials.
