Introduction to Planning & Zoning

An evening workshop held
from 5 to 8 p.m.
Both in-person and online options!

Gain a better understanding of township planning and zoning

Whether you're a member of the township board, planning commission or zoning board of appeals, your knowledge of the planning and zoning process is vital to your community. As new developments and projects approach your township, it's important to be prepared to make tough decisions.

MTA can help! Join us at this evening workshop for an overview of the basic elements of an effective planning and zoning program.

We'll review the sources of township planning and zoning authority, the structure and function of the planning commission and zoning board of appeals, and the role of the township board. In addition, we'll discuss the "ins and outs" of master plans and zoning ordinances, along with key strategies for effective decision-making.

Presented by MTA Legal Counsel Catherine Kaufman, who brings her unique experience as both a planner and an attorney with the firm Bauckham, Sparks, Thall, Seeber & Kaufman PC, this workshop offers real-life, practical application.

Continue the learning

Participants can pre-purchase MTA's Planning & Zoning Book Package, which includes *The Township Guide to Planning & Zoning* and *Planning & Zoning Decision-making*, for the discounted rate of \$72. The *Township Guide to Planning & Zoning* provides a detailed look at the planning process and outlines elements of a successful planning program. *Planning & Zoning Decision-making* aims to help planning and zoning officials reach defensible, effective decisions and build a strong community based on sound planning principles and procedures. Books will be distributed onsite at check-in or shipped to online registrants. (Those joining us online should add \$5 shipping and handling).
