## **Mount Clemens insurance agency joins MTA Keystone Club**

DELTA TOWNSHIP – Nickel & Saph, Inc. Insurance Agency has joined the Keystone Club in the Michigan Townships Association (MTA) Allied Service Provider program. As part of the Keystone Club, the \$2,000 investment by Nickel & Saph will be used to improve the overall effectiveness of township government through more productive business practices, better education and enhanced communications.

“On behalf of MTA and Michigan townships, I am happy to welcome the Nickel & Saph Insurance Agency to our Allied Service Provider program,” said **Larry Merrill**, MTA executive director. “As part of the program, Nickel & Saph demonstrates its dedication to strengthening the relationship between our members and the business community.”

Nickel & Saph is an independent insurance agency that has been in continuous operation since 1929. The agents and staff are dedicated to the public entity marketplace. To add value to the community’s insurance program, throughout the year, Nickel & Saph offers professional training, property evaluations, and educational seminars. Nickel & Saph represents insurance companies that offer stability and commitment to townships throughout Michigan.

MTA’s Allied Service Provider program has three levels of participation: President’s Round Table (\$10,000), Leadership Circle (\$5,000), and Keystone Club (\$2,000). Although participation in the Allied Service Provider program does not constitute or imply MTA’s endorsement of a company, or its products or services, those enrolled in the program are expected to maintain good business practices and operate in an ethical manner.
