## **Thrun Law Firm, P.C.—MTA's newest Allied Service Provider**

**DELTA CHARTER TOWNSHIP (Eaton Co.)—Thrun Law Firm, P.C.**, of East Lansing, Michigan has joined the ranks of the **Keystone Club** in the **Michigan Townships Association (MTA) Allied Service Provider** program. As part of the *Keystone Club*, the \$2,000 investment by Thrun Law Firm, P.C. will be used to improve the overall effectiveness of township government through more productive business practices, better education and enhanced communications.

"On behalf of MTA and Michigan townships, I am happy to welcome the Thrun Law Firm to our Allied Service Provider program," said **Larry Merrill**, MTA executive director. "As part of the program, Thrun Law Firm demonstrates its dedication to strengthening the relationship between our members and the business community."

Thrun Law Firm, P.C. focuses almost exclusively on municipal and other governmental law and services. With offices in East Lansing and Novi, the firm represents municipal clients at all levels of government, including the Michigan Department of Civil Rights and the Equal Employment Opportunities Commission, and also offers arbitration services.

MTA's Allied Service Provider program has three levels of participation: President's Round Table (\$10,000), Leadership Circle (\$5,000), and Keystone Club (\$2,000). Although participation in the Allied Service Provider program does *not* constitute or imply MTA's endorsement of a company, or its products or services, those enrolled in the program are expected to maintain good business practices and operate in an ethical manner.

The Michigan Townships Association is the exclusive legislative and public advocate for Michigan's 1,240 townships, and is the foremost source of quality education and information for Michigan's elected and appointed township officials.
