

Local Government Lesson Plans
Kindergarten, First, and Second Grades

Objective: To introduce these grade levels to local government.

Preparation:

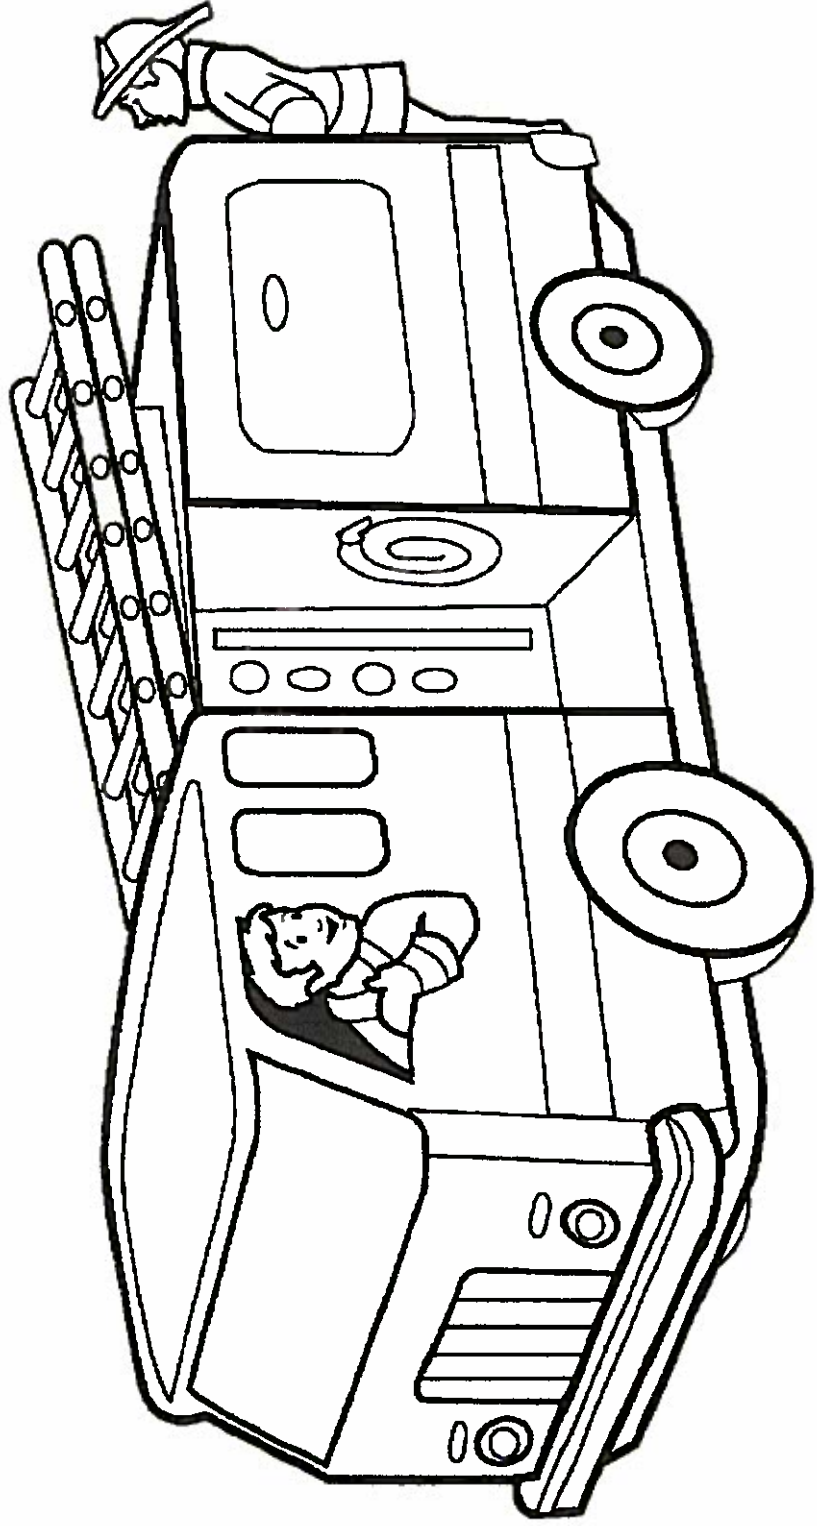

- Run copies of coloring book, enough for each class member.
- Organize a fire truck to accompany you for a short period of time.

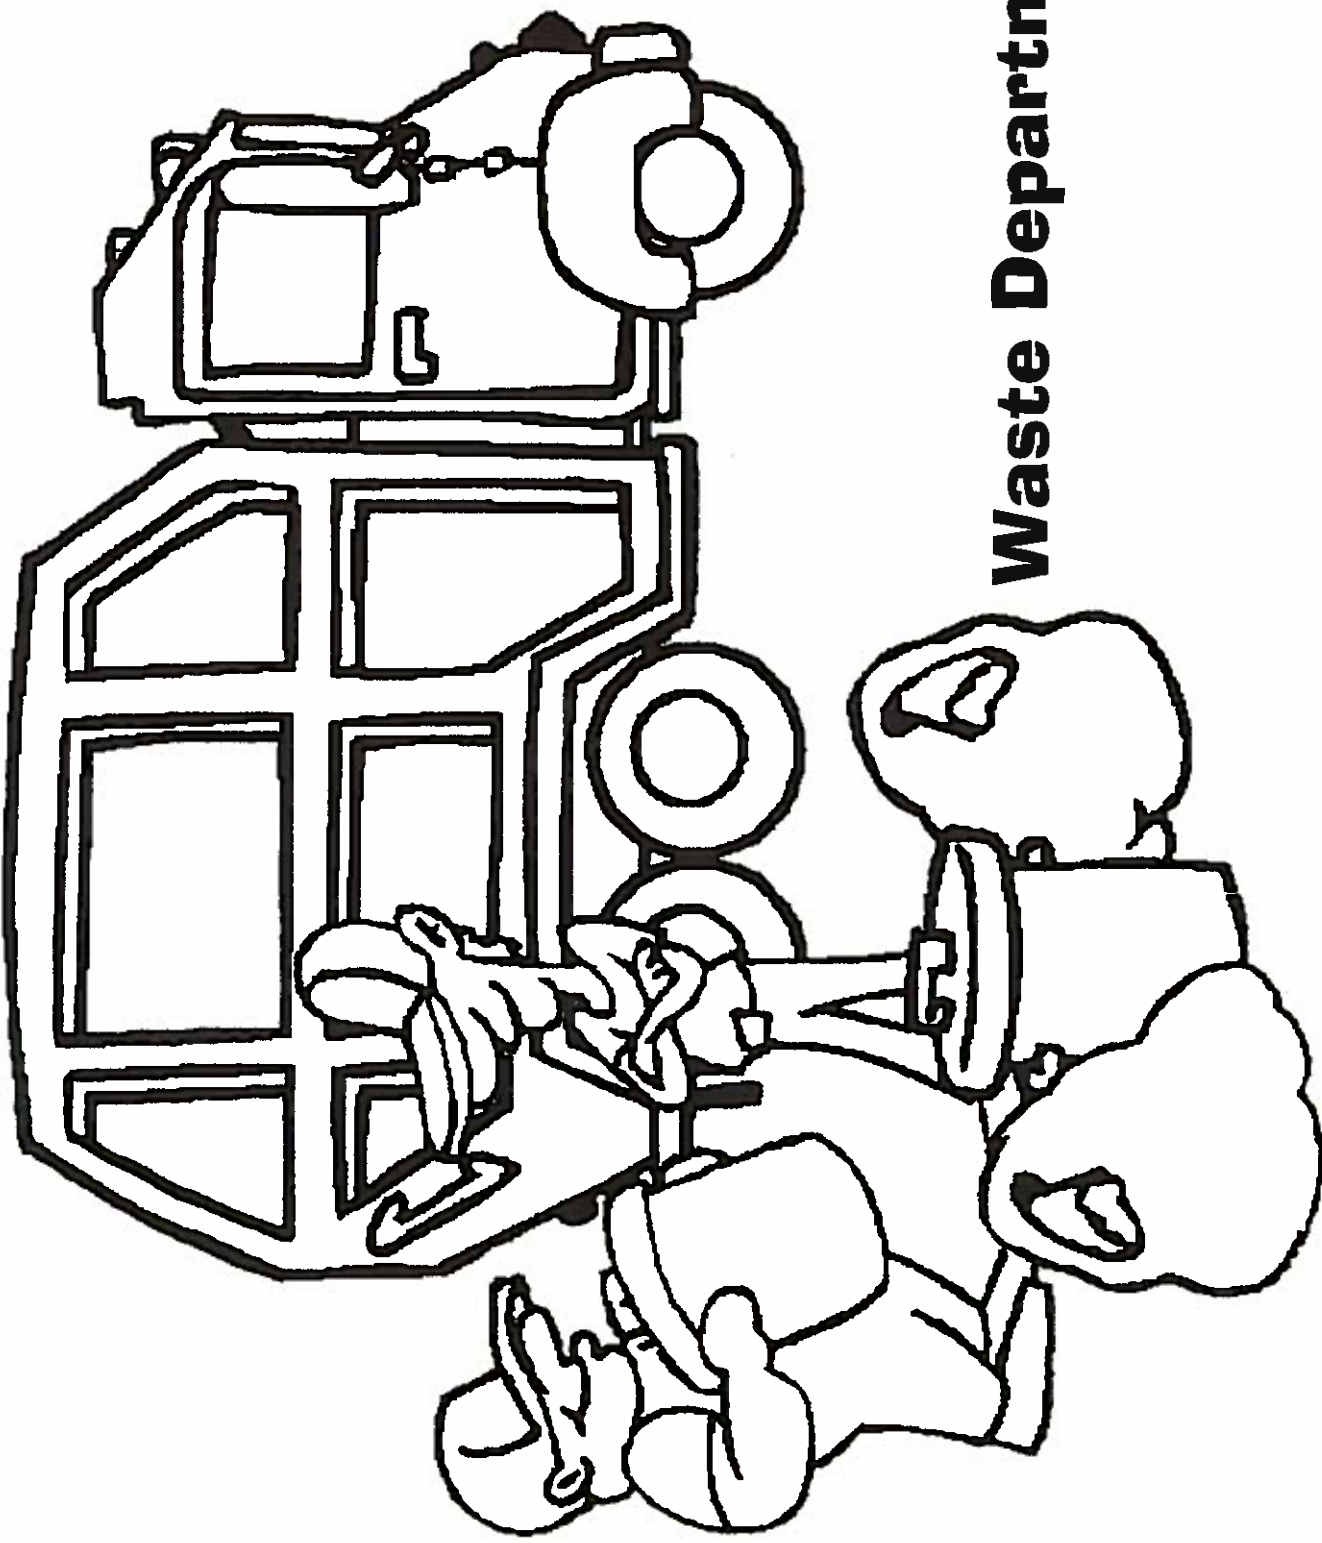

Class time:

- Introduce yourself and briefly your job. I.e.: Clerk, Treasurer, Supervisor
- Take students to see the Fire Truck
- Back in the class room ask for questions about the truck, have fireperson come inside if you don't feel comfortable with answering questions about the Department.
- Hand out the coloring book; go through it briefly explaining what each picture shows about local government.
- Give them time to color and ask questions.

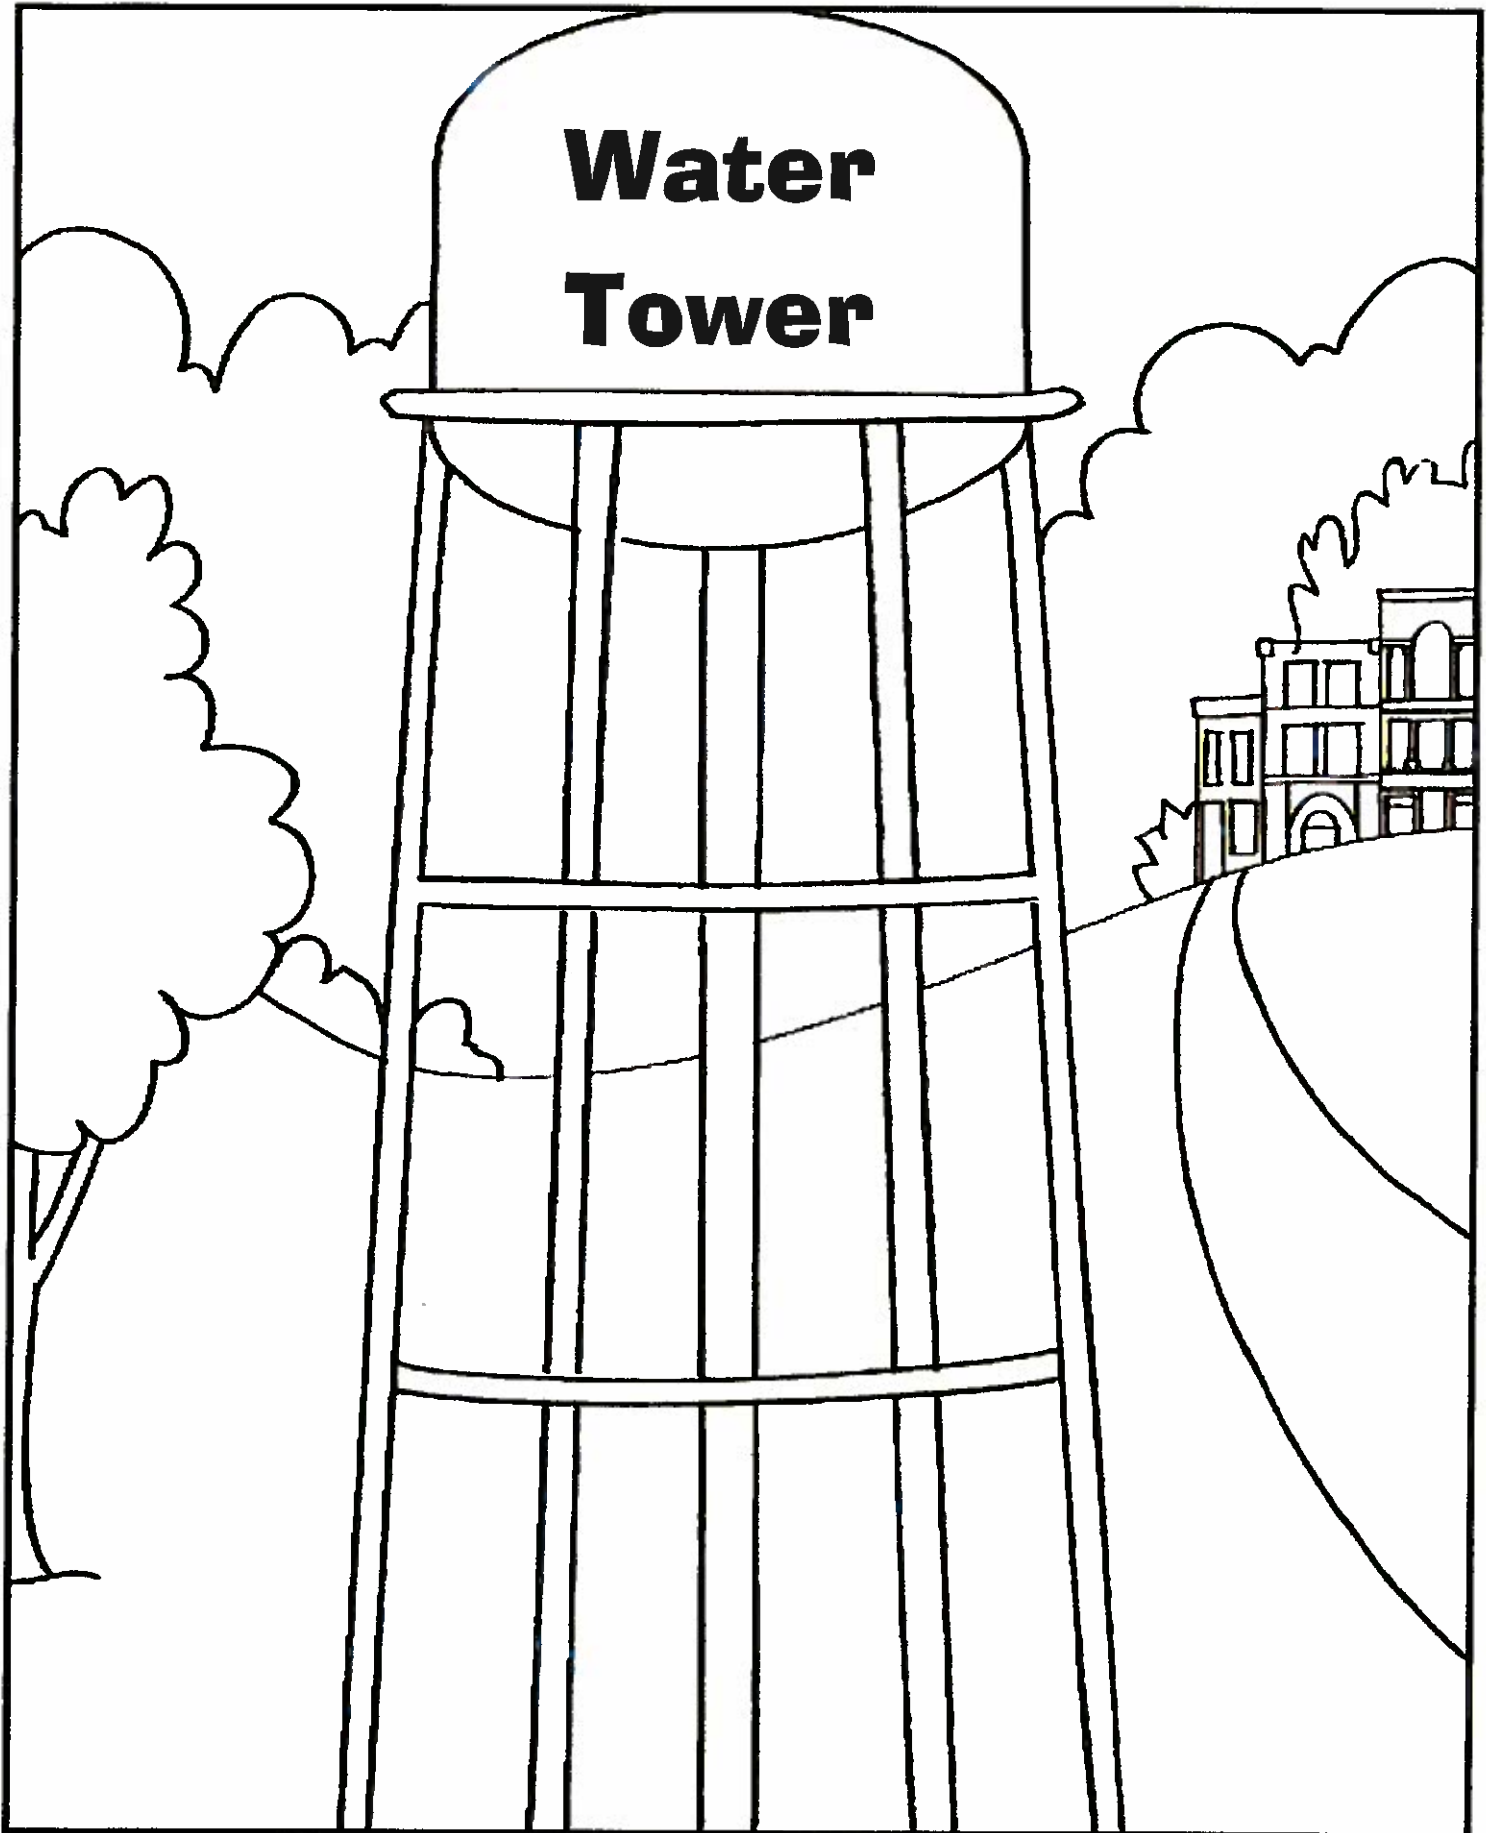

Thank the teacher for allowing you to join them.
