

Vendor Directory in *Township Focus*

Deadline: May 15, 2020

MTA's flagship magazine, *Township Focus*, has long been a resource that is depended on by more than 99 percent of Michigan's elected township officials each month—along with thousands more township board and commission members, and staff. Perhaps now more than ever before, our local leaders need a trusted source for information, resources and updates on the changes and news impacting them on a regular basis.

You can be part of that trusted source by getting your company's name in front of township decision-makers—and we're making it easier, and more affordable than ever.

Even in these unprecedented times, townships are still working every single day, making decisions and serving their residents to the best of their abilities. MTA wants to ensure your company is top of mind when township officials have questions or need information on a service, program or project. Your company logo, contact information and brief description of services listed in a special pull-out Vendor Directory in our June issue of *Township Focus* (circulation: approximately 9,500, plus pass-along value and online impressions) is an effective, convenient way for townships to remember your company.

We know that times are difficult for many businesses across the state. We are reducing the price of our Vendor Directory listing to **just \$100**. Ensure your company comes to mind when townships are in need. *Members of MTA's Allied Service Provider program will be included free of charge again in 2020.*

When townships are looking to build a new hall or park, have insurance or software needs, are researching retirement options, are in need of legal services, or more, they will know just where to look!

MTA does not endorse the vendor's products or services.

Insertion order—To participate in the vendor directory, promptly return this form to MTA along with a high-resolution digital copy of your company logo in JPEG, TIFF or EPS format. Email logo to ashley@michigantownships.org.
