

# New Vendor Directory in Township Focus

Deadline: May 10, 2019

MTA's flagship magazine, Township Focus, is read by 99 percent of elected township officials in Michigan each month—along with thousands more township board and commission members and staff. With a circulation of more than 9,000, Township Focus is the perfect place to get your company's name in front of local decision-makers. And now we're making it easier than ever.

Have your company logo, contact information and brief description of services listed in the upcoming pull-out of the June issue of Township Focus (circulation: approximately 9,500) For the low price of \$125, your company can be top of mind when townships are in need.

*Allied Service Providers will be included free of charge the inaugural year.*

When townships are looking to build a new hall or park, have insurance or software needs, are researching retirement options, are in need of legal services, or more, they will know just where to look!

To participate in the vendor directory, promptly return this form to MTA along with a high-resolution digital copy of your company logo in JPEG, TIFF or EPS format. Email logo to ashley@michigantownships.org.

*MTA does not endorse the vendor's products or services.*
